North Carolina Pre-kindergarten Program (NC Pre-K) is a state-funded community-based, voluntary pre-kindergarten initiative designed to prepare at-risk four-year-olds in North Carolina for success in school. Programs are to meet high quality standards, with a specific curriculum that is focused on preparing children in developmentally appropriate ways for success in schools (e.g., emphasis on literacy, numbers, physical/fine-motor development, and problem solving/thinking). **For more information**, please contact [Renee Harrell at \(252\) 244-3226](mailto:Renee.Harrell@cravenk12.org).
